3 CP Square Plate	To be confirmed	—	20
5 CP Meal Tray	To be confirmed	—	34
10 Inch Plate	10	—	20

Technical & Compliance Confirmation

GSM and unspecified dimensions: To be confirmed. Unit weights are not GSM values. Heat resistance up to 120°C is a requested target, not a verified rating. Oil and water resistance, microwave and freezer safety require product-specific confirmation.
Compostable/Biodegradable certificates, Food Grade Test Reports, ISO, FSSAI, APEDA and FIEO: Verification pending. No certification or membership is asserted.

Bulk Quantities & MOQ

20ft / 40ft container loads or customized quantities are enquiry options, not fixed minimum orders. MOQ, packing, shipping terms and lead times are confirmed in the quotation.

Export Divisions

Division 1: Eco-Friendly Sugarcane Bagasse Tableware — Active flagship range.
Division 2: Agro & Spices — Upcoming fresh vegetables and Garam Masala; availability not confirmed.

Request Bulk Quote

Include product, quantity, company, country, phone/WhatsApp number with country code, destination port and documentation requirements.
